

## Earthfort Client Guide to Plant Type

Use this handy reference list to determine your plant type for use on your Earthfort Order Form when sending in samples.

Annual		Perennial		Shrub/Vine	Tree	
Plants that grow once a year		Plants that stay in the ground year-round. Note that some plants are perennials <i>*treated*</i> as annuals because they don't typically live through the cold season where they're being grown (like tomatoes!)		Plants that are established and fruit once a year	Climax community, Require the most fungi	
Amaranth	Sunflower	Alfalfa	Oats	Arctostaphylos	Almonds	Russian Olive
Annual Ryegrass	Swiss Chard	Alstromeria	Orchard Grass	Aronia	Apricot	Scrub Oak
Arugula	Triticale	Asparagus	Palm	Azalea	Ash	Spruce
Barley	Turnip	Bahia	Peanut	Blueberries	Aspen	Sweetbay Magnolia
Basil	Vinca	Bamboo	Perennial	Boxwood	Birch	Sweetgum
Beet	Watermelon	Banana	Peony	Camelia	Breadfruit	Sycamore
Bok Choy	Wheat	Bell Peppers	Peppers	Coffee	Brush Box	Walnut
Broccoli		Bentgrass	Perennial Ryegrass	Cranberries	Camphor	White Oak
Brussel Sprouts		Bermuda Grass	Pineapple	Elderberry	Cedar	Willow
Buckwheat		Bindweed	Poa	English Ivy	Cherry	Zelkova
Cabbage		Blackberries	Potato	Gardenia	Chestnut	
Cannabis		Bluegrass	Radicchio	Grapes	Coast Live Oak	
Canola		Bluestem	Raspberries	Hawthorn	Crabapples	
Cantaloupe		Bunch Grasses	Rice	Holly	Cottonwood	
Carrot		Cactus	Sage	Japanese Maple	Crape Myrtle
